## Theken Spine gets another FDA approval

Wed, June 6, 2007

**Mary Vanac**

**Plain Dealer Reporter**

Theken Spine LLC in Akron has received Food and Drug Administration clearance to sell its Atoll Cervico-Thoracic Fixation System in the United States. The system is used to fuse vertebrae in the middle of the spine. It is intended for use in patients who have degenerative disc disease, spinal Stenosis, fractures or dislocations, or tumors, as well as those who need repeated surgery.
